

Imagine a world without Jesus. It is a world that has never heard of the golden rule. Nor has it a clue about the immortalized saying, "Love your neighbor as yourself." What would the world be like without Jesus? It would be barren, artificial, hollow, corrupt, despairing and miserable. And don't forget that there would be not a church on any corner preaching the good news, shouting to a world on the fringe of darkness to walk in the light. But worse than any heartache would be the joyless religious life of the world because there is no hope of the resurrection.

## A World Without Jesus:

**Our message is \_\_\_\_\_ – (verse 14)**

It completely lacks the truth

**We are false witnesses – (verse 15-16)**

Everything we say is a \_\_\_\_\_

You are \_\_\_\_\_ your time in church

**We are still in our sins (verse 17)**

The world has not been \_\_\_\_\_

**We are not going to \_\_\_\_\_ (verse 18)**

There is no eternal hope if Christ has not risen.

**We are to be \_\_\_\_\_ (verse 19)**

Christianity should bring h\_\_\_\_\_, liberty and Justice

Crime and corruption should give way to fair treatment.

Criminals should become preachers and missionaries.

Persecution, slavery and prostitution should be minimized.

Wherever Christianity reigns supreme, these things happen!

**How Christianity has changed the world.**

S\_\_\_\_\_ - Christianity gave us the scientific method.

R\_\_\_\_\_ - The Gospel gave women equality

F\_\_\_\_\_ - Christians set the slaves free

H\_\_\_\_\_ - Christians initiated compassion & hospital care

## A World With Jesus:

**There really is a \_\_\_\_\_ (verse 20-23)**

We believe in the hope of the resurrection.

Since Jesus rose, so will we.

**There really is an end to \_\_\_\_\_ (verse 23-28)**

All tyrants will be destroyed -23-25

Death itself will be destroyed (26)

Jesus will triumph from shore to shore! (27-28)

Now what would a world be like with Jesus? What if there was a Resurrection? What if Jesus really did rise from the dead? And in that world with Jesus reigning, God will be worshiped by every last one of us. It will be a world without war, a life without fear; our hearts will be without guilt or depression. Because we will all be subject to him. Now you decide. What kind of world do you want? Do you want a world without Jesus? Or do you want, even right now to begin living your life in his world? It's a wonderful life living for Jesus!
